

IT'S POSSIBLE (AND SOMETIMES RECOMMENDED) TO MIX AND MATCH ELASTOMER AND URETHANE WHEELS.

IT'S IMPORTANT TO REMEMBER THAT THE WHEELS MUST BE OF THE SAME DIAMETER.

IN GENERAL:

THE WHEEL WITH THE **SOFTER** HARDNESS OFFERS MORE GRIP, AND MUST BE PLACED IN THE **PRESSURE** POINTS.

THE **HARDER** WHEELS ARE USED AS **SLIDING** WHEEL TO IMPROVE SPEED AND MAXIMIZE THE SPINS.

DEPENDING ON THE QUANTITY OF DIFFERENT WHEELS AVAILABLE AND THE KIND OF FLOOR, IT'S POSSIBLE TO CREATE MANY COMBINATIONS OF WHEELS.

HERE YOU HAVE SOME EXAMPLES:

SLIPPERY FLOOR

EXPLANATION:

- LEFT SKATE

FRONT

EXT. DEVIL 42: EXTERNAL SLIDING WHEEL

INT. DEVIL 36: PUSH WHEEL

REAR

EXT. FOX: ENTRY WHEEL (CENTERING) FOR SPINS

INT. GIOTTO 49: INTERNAL SLIDING WHEEL

- RIGHT SKATE

FRONT

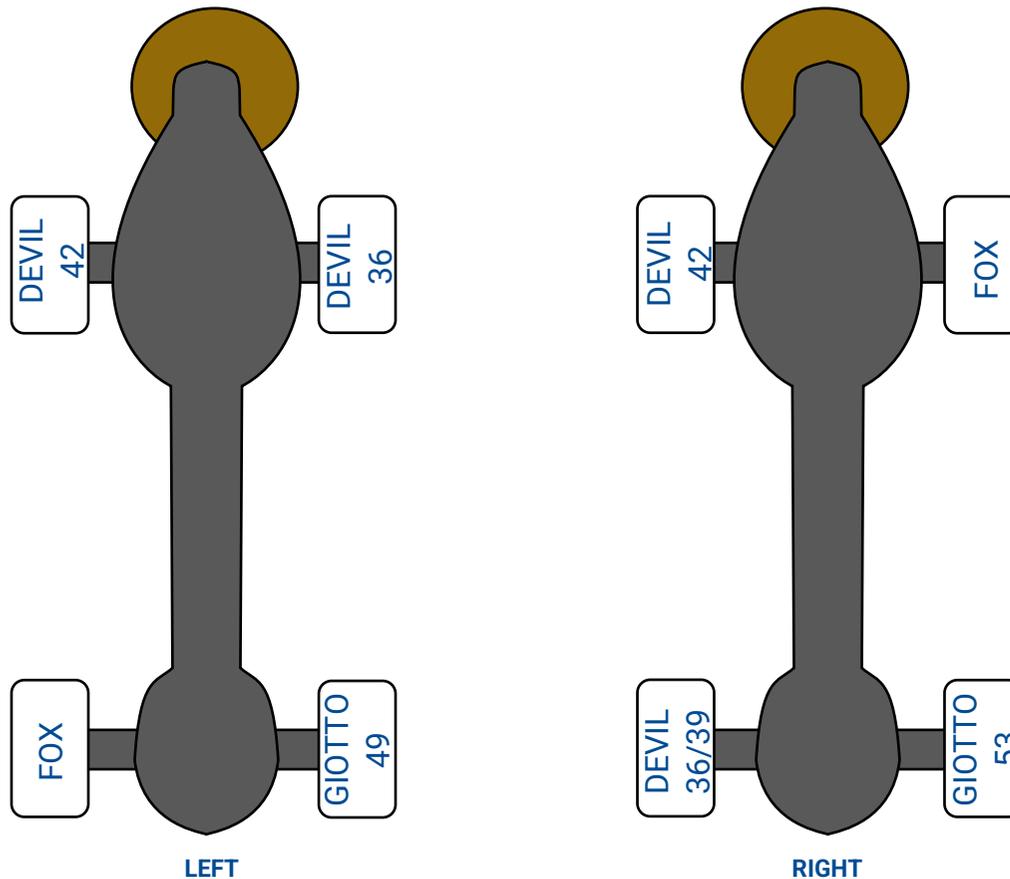

INT. DEVIL 42: INTERNAL SLIDING WHEEL

EXT. FOX: LANDING WHEEL FROM JUMPS OR PIVOT WHEEL FOR SPINS

REAR

INT. DEVIL 36/39: ENTRY WHEEL (CENTERING) FOR SPINS

EXT. GIOTTO 53: EXTERNAL SLIDING WHEEL

ALTHOUGH THE CONCEPT AND METHOD OF CROSSING REMAINS THE SAME, IT IS POSSIBLE TO ADJUST THE HARDNESSES ACCORDING TO THE TYPE OF FLOOR.

MEDIUM FLOOR

EXPLANATION:

- LEFT SKATE

FRONT

EXT. DEVIL 45: EXTERNAL SLIDING WHEEL

INT. DEVIL 39: PUSH WHEEL

REAR

EXT. PANTHER: ENTRY WHEEL (CENTERING) FOR SPINS

INT. GIOTTO 53: INTERNAL SLIDING WHEEL

- RIGHT SKATE

FRONT

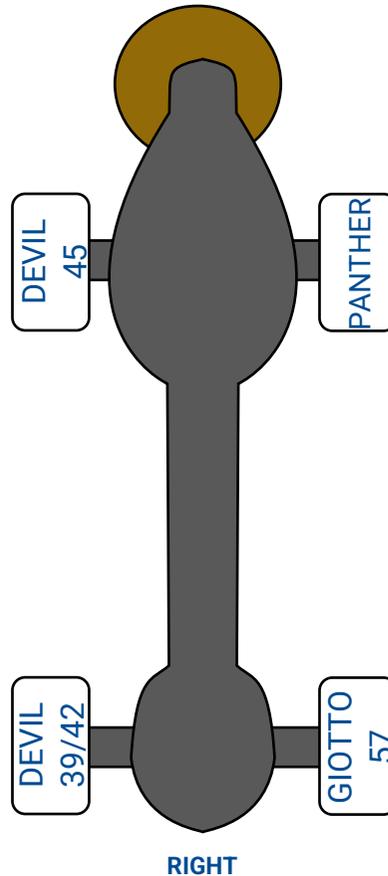

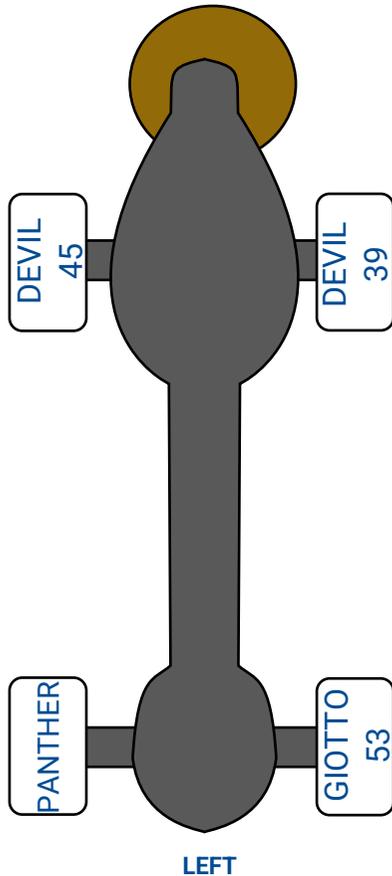

INT. DEVIL 45: INTERNAL SLIDING WHEEL

EXT. PANTHER: LANDING WHEEL FROM JUMPS OR PIVOT WHEEL FOR SPINS

REAR

INT. DEVIL 39/42: ENTRY WHEEL (CENTERING) FOR SPINS

EXT. GIOTTO 57: EXTERNAL SLIDING WHEEL

ALTHOUGH THE CONCEPT AND METHOD OF CROSSING REMAINS THE SAME, IT IS POSSIBLE TO ADJUST THE HARDNESSES ACCORDING TO THE TYPE OF FLOOR.

ROUGH FLOOR

EXPLANATION:

- LEFT SKATE

FRONT

EXT. DEVIL 47: EXTERNAL SLIDING WHEEL

INT. DEVIL 42: PUSH WHEEL

REAR

EXT. MUSTANG: ENTRY WHEEL (CENTERING) FOR SPINS

INT. GIOTTO 57: INTERNAL SLIDING WHEEL

- RIGHT SKATE

FRONT

INT. DEVIL 47: INTERNAL SLIDING WHEEL

EXT. MUSTANG: LANDING WHEEL FROM JUMPS OR PIVOT WHEEL FOR SPINS

REAR

INT. DEVIL 42/45: ENTRY WHEEL (CENTERING) FOR SPINS

EXT. GIOTTO 60: EXTERNAL SLIDING WHEEL
